5 Liter

Suitable for 2-stroke engines including: power cutters, lawn mowers, chainsaws, clearing saws, power cutters, hedge trimmers and other.

Pro Fuel 2 is alkylate petrol premixed at 50:1 with a premium quality biodegradable 2-stroke oil. Suitable for chainsaws, clearing saws, hedge trimmers, power cutters and other land-based 2-stroke engines.

Pro Fuel 2T is virtually free from harmful substances such as benzene, aromatic hydrocarbons or olefins, substances that can cause serious health problems. Pro Fuel 2 Alkylate Petrol also keeps the spark plugs and combustion chamber of your machine cleaner.

Alkylate Petrol contains no ethanol, meaning it can be stored for a long time without any deterioration in quality, which makes your engine easy to start even after long standstill periods. There are numerous environmental benefits, such as reducing the formation of ground-level ozone (smog) by about 40%.

The oil in Pro Fuel 2T has been selected and developed for the future. It is fully synthetic with as much as 60% renewable content. It is biodegradable and free from ash and solvents. The oil gives an extremely clean engine and has optimum lubrication characteristics at all engine temperatures.

DANGER

Contain: naphtha (petroleum), full-range alkylate, butane-contg.; isopentane; naphtha (petroleum), isomerization. Extremely flammable liquid and vapour. May be fatal if swallowed and enters airways. Causes skin irritation. May cause drowsiness or dizziness. Suspected of damaging fertility. Harmful to aquatic life with long lasting effects. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not breathe mist/vapours. Avoid release to the environment.

Wear protective gloves/protective clothing/eye protection.

IF SWALLOWED: Immediately call a POISON CENTER/doctor.

Do NOT induce vomiting. IF exposed or concerned:
Get medical advice/attention.

Produced by Warter Fuels SA
ul. Korolowa 60, 02-967 Warszawa, Poland
Manufacturing Plant ul. Chemików 5, 09-411 Plock, Poland
